Foreword

The colors, blue and gold, plus the symbols of the cover have already indicated to you, that we are honoring the Future Farmers of America.

Here, too, we also wish to honor a sister organization, the Future Home Makers of America.

The following quotations from well known people say what we think.

"Each year we have watched with increasing interest as Washington Future Farmers of America have given growing independence of outstanding accomplishments . . . . with 7000 Future Farmers of America in Washington, actively participating in so many fruitful farm and home projects, we have reasons for great faith in the future well-being of our great state . . . .

January 9, 1956
25th Anniversary

Arthur Langlie – Governor of
State of Washington

"Much of the improvement in farm practices and the standards of living on farms may be attributed to the achievements of F. F. A."

25th Anniversary F. F. A.

Pearl Wanamaker – State
Superintendent of Public
Instruction of the
State of Washington

"I endorse the whole program of Future Farmers of America as heartily as one could endorse any group."

William I. Castles – Superintendent
of Mt. Baker High School
Deming, Washington

25th Anniversary F. F. A.

Senator Henry M. Jackson, speaking at Mount Baker Chapter's parent and son banquet, September 15, warned against Soviet Russia's growing military and industrial strength and lauded what be termed, "America's secret weapon in farming." The senator praised the organization's work, "toward developing and preserving this secret weapon," . . . . the weapon that has enabled us to take advantage of every new opportunity and technical advantage. . . . . "What we have seen here tonight, demonstrates this weapon." . . . . . .

"The owl is the time-honored emblem of knowledge and wisdom."

Good luck in coming
the years to come
hope to see
you

tried.

Hello Sweetheart,
To you darling, I wish the best of luck and happiness. I don't really know how to say it, but I think you understand how I feel. I really have had the most fun with you and I don't ever want it to change. This year has gone so very fast. Graduation, sneak, birthdays, and holidays have just slipped by.

Guess something just came up.

Save for Susan..

Photographer – the late Mr. R. Boren.

Mr. Boren was a friend of the school and every year Annual Staffs looked foreward to his gifts of beautiful mountain pictures and other scenic spots of the district.

I've loved you every minute of it too. Even when we've disagreed about things. I love to watch you when you sleep. I love the cute little things you do and say. I pray you'll never change. I love you the very way you are. Isn't Cindy the cutest little thing? We sure have had some cute times. Remember last summer and Toad Lake?

We face the Future with warm courage and high hope.
For we have the clear consciousness of seeking
Old and precious values.

For we are the builders of home,
Homes for America's future.
Homes where living will be the expression of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.
We are the Future Homemakers of America.
We face the future with warm courage and high hope."

F.H.A. PRAYER

"We are the Future Homemakers of America
Our vision is eight-fold and world-wide
We ask our Father in heaven
To give us the strength and will
To fulfill our purposes."

According to this year's program of work the girls were kept busy with community service as well as having good times.

One of the first social activities of the year at which they assisted was the annual F.F.A. Parent and Son Banquet. Next was the Regional Meeting which was held in Sedro Woolley. Selling "all occasion cards," another project, gave them an opportunity to meet people as well as making money for the club. During December, the girls' contribution to the Christmas Box helped needy families in the area.

Activities which took place from January to April were "Fun Night," a swimming party, a film for the Student Body, and F.H.A. week.

Senior Tea and Installation of new officers, both events in May, concluded the year's schedule.

All students taking a science course are automatically members of the Science Club. Courses offered, are chemistry, biology, physics, and radio. Mr. Score teaches all these subjects and Miss McInnes teaches one class of biology.

Each year the science club presents something to the school to better the department. This year a forty meter, two element, mostly Beam Antenna with a fourteen foot stand was purchased and erected. Students in radio class used this for sending and receiving voice, and code. Reception was best at noon and after five o'clock. Jan. 18 the radio class took a test to obtain a Novice License.

The physics and chemistry classes toured the Ferndale Refinery, a trip they have enjoyed taking ever since the Refinery was established.

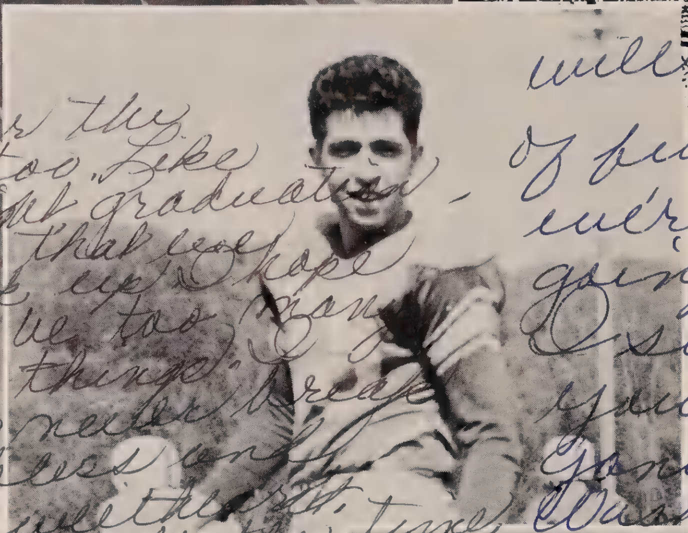
We sure had fun up there. Remember when we shone the spotlight on the other car. We were sure mean but we had lots of fun didn't we. I hope college ~~[illegible]~~ next year will be [illegible] of fun. I hope we're still going steady. I sure miss you when you gone to Eastern Washington the



P.S. I remember the sad things too. Like our own fight graduation - the thought that we might break up. I hope there won't be too many more sad things. I hope we'll never break up. God bless and keep you sweetheart. Dream of me all the time, think of me all the time at work, play and college next fall. I love you with my whole heart darling.

summer. Golly two whole weeks. You'd better write me a letter every day. If you don't I'll sure be mad. I pity Mrs. Erickson. She'll be alone all summer.

I hope you like logging honey. I hope you make lots of money too. You can get a car honey, if you really want to.

Let's do alot of things together this summer, like swimming, picnicing, that sounds like fun. Let's take lots of pictures too. Remember our $10 bet about my pictures in my room. I'm going to win it. I'll also win you $5 in my strawberry picking. Well, honey, I guess I'll close.

Love you lots,
Susan

Jerry my darling
I would like
to express my gratitude
to you for helping me
when I needed help;
inspiring me when I needed
it and most of all for loving
me; We've done so much together
experienced new things together, and
sort of grown up together. Thank you
my darling for the
beautiful words you
wrote in my annual. I
can feel that you mean
every word and that it
was expressed from your
heart. God bless you
sweetheart wherever
you go. Please
you ask me the question our
important, I look forward
futures; Love me
to it everyday; for I love you.
darling Your Sweetheart,
Susan

BLOSSOM FESTIVAL QUEEN CANDIDATE

Diana (Dede) Snyder was chosen by the Senior Class to represent Mount Baker as Queen Candidate for the Blossom Time Festival in Bellingham.

Born in Glenwood, Iowa; Diana came to Mount Baker at the beginning of her Sophomore year. Honors, such as Sophomore Tolo Queen, and receiving the Senior Title for having outstanding talent, have made her well known to all. Her activities include the following: Honor Society, Band, Swing Band, Chorus, Girls Letter Club, and member of the Fife, Jug and Bottle Band.

While attending Glasgow Jr. High, Dede was a majorette for the band. She has taken tap and ballet dancing and was a member of the tumbling team.
